

Villa Caballeros Homeowners Association

Cellgate™ Entry Kiosk | Instructions for Landline Phone Users

Effective Date: February 01, 2025

Purpose	Instructions for association members who use landline telephones for entry gate access of visitors, deliveries, etc.
How the system works	<p>When a visitor or delivery person (“Guest”) arrives at the main entry gate to Villa Caballeros, they can find your name in the DIRECTORY</p> <ol style="list-style-type: none">1. Guest will select your name to contact you2. The kiosk will dial your landline phone3. When you answer, you will hear an automated message informing you that you have a visitor at the gate.4. Press the number 1 to connect to the gate5. The system allows you to speak to the Guest and confirm if you wish for them to enter the community.6. To open the gate for the visitor, use either of the following buttons on your landline phone:<ol style="list-style-type: none">a. The number “9”b. The asterisk “*”
